

Margaret S. White Scholarship Student Feedback

Margaret S. White scholarships are currently supporting 16 students in various colleges from nine different area high schools. Although financial need is the top selection criteria, 13 of these students were in the top 10 % of their graduating class, with 9 were in the top 5%.

Students send their gratitude to SOSS for support and encouragement

" I'd like to express my heartfelt gratitude for being awarded the Margaret S. White 2018 scholarship and allowing me to leave my own legacy in the hearts of so many people.. I am so excited to continue my collegiate journey by double majoring in Marketing and Management at the University of Houston. I am striving to make the Dean's List next semester. This semester I joined the Hispanic Business Student Association and volunteered with various non- profit organizations across the city, including a soup kitchen called Loaves and Fishes. I am also pleased to say I was accepted into the Program for Excellence in Selling through the Stephen Stagner Sales Institute, which is the top sales program in the nation. I am volunteering for the 2020 Wolfest 3- day food festival on cam,pus in April, which raises scholarship money for students pursuing a major in Entrepreneurship. It's a fun and wonderful opportunity for me to receive hands- on marketing experience. I also plan to add a second minor to my degree plan focusing on Human Resource Management and will join the Society for Human Resource Management in the fall of 2020. I can't wait to see what exciting opportunities and adventures unfold in the coming semesters. God bless you all.

Thank you for awarding me this scholarship.It has helped me tremendously in achieving my goals in my fist semester of college and will do the same for my second semester. I have received all A's in my first semester of college! I hope to do as well in my second semester. i was able to jointhe UT Freshman Research Initiative and will be doing research under the "Aptamer" stream with professors next semester. I have also joined a couple of clubs like MSA where I have made some of my closes friends. I intend to join a couple of medicine oriented groups next semester and I will let you know how it goes.
